

Beyond the Surface

A LIVE ART SESSION
WITH THE ARTIST

DESCRIPTION: Step into an atmosphere where artistry and conviviality meet. This isn't a classroom—it's an intimate, three-hour social experience where you become a privileged observer and co-star in the creation of a clay portrait, sculpture, painting, or pottery piece.

With a complimentary drink in hand, watch acclaimed sculptor Gianluca Bagliani transform raw clay into a living face, modeled live before your eyes.

You'll also experience demonstrations of traditional techniques such as encaustic painting, egg tempera, pottery, and sculpture, each revealing how raw materials are shaped into expressive works of art.

This experience is perfect for anyone seeking a genuine and engaging encounter with the creative process. No prior art experience is required.
